

"A TREE WITHOUT A TREE"

Explore alternative solutions for traditional methods of building Christmas tree

"The spirit of giving"

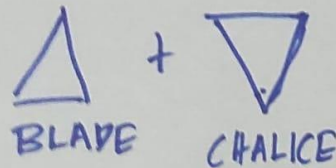

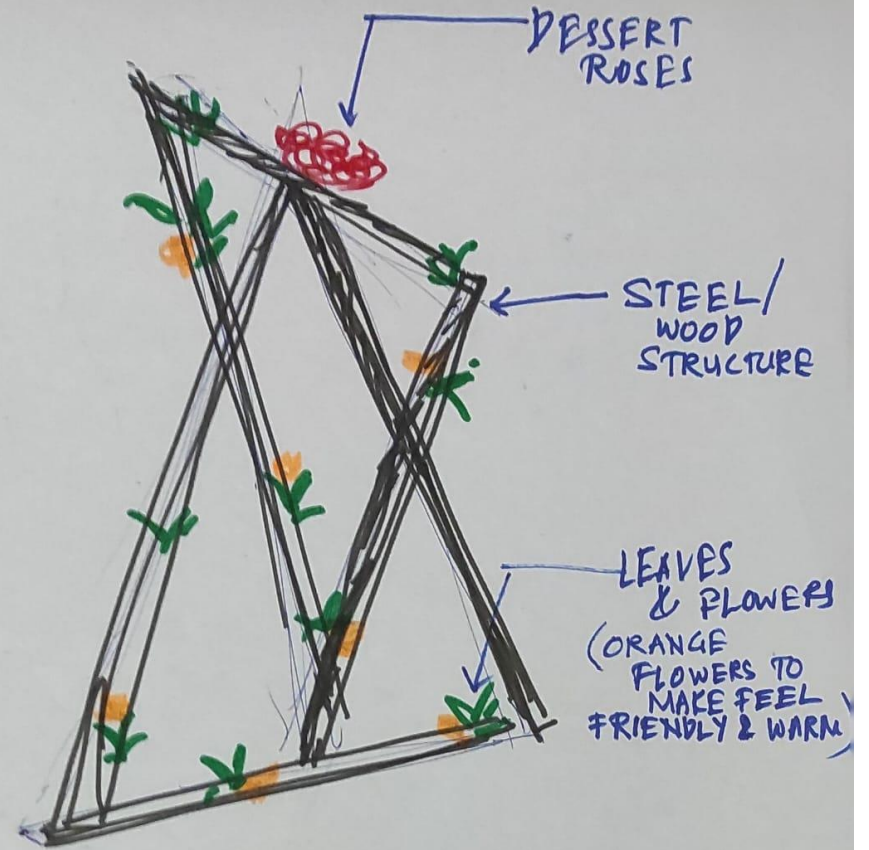

- Protect natural trees and reduce waste after use
- * Sustainability and Material Selection.

Origins of Christmas tree

- Pagan traditions
- Christian Adaptations
 - * By middle ages, Germans began incorporating "Evergreen" tree
 - * Later triangular shaped fir tree to explain the Holy Trinity (Father, son & the Holy Spirit)
- Modern Christmas tree
 - * 16th Century Germany decorated trees into their homes or build pyramids of wood and adorn them with candles and evergreen boughs.
 - * Later the tradition spread in to England.

Meaning Behind

- 1) Evergreens as symbols of eternal life.
- 2) Light in darkness - Jesus
- 3) Unity & celebration - the act of decorating a tree together
- 4) Tree of Paradise - which was in Garden of Eden, symbolizing redemption through christ.
